

HORSE FOR LEASE

Looking for a full or part lease, on or off farm to approved home. If off farm, free lease. Would require a run in shed/stall.

17 year old chestnut tobiano paint mare, 15.2hh.

Up to date on shots and shoeing. Behaves well for vet and ferrier. Self loads. Sound. Currently used primarily as a trail horse and for flat work and has been shown. She has worked both English and Western, but is currently ridden English. On the trail she goes either alone or with others, goes through everything and is very reliable. My daughter hops on for bareback trail rides even if she hasn't been worked for weeks.
